

# Mohawks at Nationals Information Pack

Please read this carefully as you will be expected to know what is in here. If you don't then you may get left somewhere or I may get annoyed at you.

## General Information

For people leaving from campus you must be ready **outside the back of Falmer Bar at 3.45** so that you can be accounted for. The bus WILL leave at 4pm on the dot. At 4:01 the bus will be gone and if you are not on it then you will be finding your own way to nationals. Similarly if you are not ready for when drivers specify then you will be left behind. The bus driver has strict rules which means he has to finish at certain times. This means you will have to **be ready at the Travelodge and venue 15 minutes before the bus is schedule to leave.** If the schedule means we are late finishing at the venue then I will deal with that and you will know if there are any changes.

On Saturday evening we are booked into a Restaurant right next to the Travelodge. We are booked for 62 people (which includes alumni) and will need to be there for 7.30pm. They offer carvery and a normal dinner menu.

### Bus Rules

We will not leave rubbish on the bus. As far as I know, we are able to eat on the bus but please to not make a mess and if you accidentally make a mess, clear it up. On Sunday when we get off the bus will need to be as we found it on Friday.

Do not wear boots or muddy/wet clothes on the bus.

The travel plan is:

### Travelodge Room Allocations

When we arrive at the Travelodge please wait outside until I give you a key with the others in your room. Please do not lose the key. Please do not ignore the room allocations as we are already over the maximum allowed per room and lots of swapping of rooms will draw attention to us and cause hassle. If you are you have an absolutely essential reason why you cannot share a room as allocated then please talk to me before we get there. I will not have any time for silly little reasons.
